

4-H Clubs Will Show At Mississippi State Fair....

Holmes County District Winner, Will Exhibit

Mississippi 4-H Club members will present their share of exhibits again this year at the Mississippi State Fair, which will be held in Jackson, October 8-13.

Seven educational exhibits will be placed on display to show the work of the 4-H Club Program on state, county and community level. Four exhibits will be presented by the four county 4-H Councils that were elected as district winners in the 1961 County Council Awards Program. These exhibits will emphasize the

work of the county 4-H Council in the County 4-H Program. The four counties to present these exhibits are: Monroe County in the Northeast District; Leake County in the Southwest District; Newton County in the Southeast District; and Holmes County in the Northwest District.

The County Extension workers and 4-H members from these four counties will have charge of planning and erecting the exhibits. This work will be under the supervision of H. D. McMorrough, Associate County Agent, Monroe County; Mrs. Lois F. Varnell, Associate Home Agent, Monroe County; Gary Williams, Assistant County Agent, Leake County; Mrs. Julia H. Barnes, Home Agent, Leake County; Henry D. Morgan, Assistant County Agent, Newton County; Mrs. Jodie R. Bassett, Home Agent, Newton County; and Duane H. Tucker, Assistant County Agent, Holmes County.

Educational Exhibits

Two educational exhibits will be presented by the two first place winners in Community 4-H Clubs, selected in the 1961 Community Awards Program. These exhibits will emphasize the work of Community 4-H Clubs in the 4-H Program. The two community clubs to present these exhibits are: Holly Bluff in Yazoo County and Virgilina in Madison County. These exhibits will also be planned and erected by 4-H members, leaders and extension workers in the counties and communities involved.

State Council

The State 4-H Council will also present an educational exhibit, which will be designed to show the work of the State Council in the State 4-H Program. This State Council exhibit will be planned and put on display by the officers in the State Council. These officers are: Martha Johnson, President; Ralph Atkinson of Yazoo County, Vice President; Ralph Meeks of Tipton County, Secretary-Treasurer; Jo Ann Fontaine of Lauderdale County, Reporter; Kitty Therrell of Okfuskee County, Parliamentarian. The District Vice

Presidents are: John Ray Surin, Jr., Walthall County; C. O. Herchenhahn, Jr., Forrest County; Judy McLarty, Lafayette County; and Jaymie Prevost, Attala County.

Commodity Exhibits

Selected outstanding commodity exhibits from each county in the State will be eligible for participation in the division for "Commodity Exhibits." These exhibits will be chosen in each county in county shows and fairs. These exhibits will consist of displays of cotton, corn, sweet potatoes, forestry, canning, crafts and clothing. Many exhibits representing these commodities will be placed on display by individual 4-H Club members from many of the counties throughout the State.

Dress Revue

The annual dress revue will be held in the State Fair Auditorium on Friday, October 12 at 1:30 p. m. Each dress in the revue must have been made by the wearer, who has been declared a blue ribbon winner in her county.

4-H members will also have on display many exhibits of dairy cattle, poultry, beef cattle, sheep and hogs. The judging contest in poultry and livestock will be held on Friday, October 12.

4-H exhibits at the State Fair will be under the supervision of the State 4-H staff composed of C. I. Smith, State 4-H Club Leader, M. A. Rowzee, Associate State 4-H Club Leader, C. M. Chafee, Associate State 4-H Club Leader, Miss Marilyn Purdie, Assistant State 4-H Club Leader, and Miss Ollie D. McWhirter, Assistant State 4-H Club Leader. All county extension workers will work closely with the 4-H members in preparing the exhibits and in placing them on display at the Fair. Extension subject matter specialists of Mississippi State University will also assist with all exhibits of clothing, food, livestock dairy cattle, crops and forestry. They will also assist in conducting judging contests in these fields.

Treat for a Summer's Day

Ice cream and Coke are long established favorites for picnics. Now a whole new generation—including these surfside youngsters—is discovering how perfectly the two go together.

Don't worry about taking ice cream to the beach. Nowadays ice cream can be kept frozen in one of those light, inexpensive plastic ice chests available in supermarkets and hardware stores.

Like the youngsters in the picture, you will find almost any flavor combines with Coke — and you'll have fun making them right on the beach.

Here's all you have to do:

- Pour half a glass of ice-cold Coke in glass or paper cup
- Put in ice cream or sherbert
- Fill up glass with remaining Coke
- Add garnish

Be sure to follow these simple

rules to insure a sparkling float look.

And here are some exciting combinations and garnishes to add to Coca-Cola:

- Raspberry ice or ice cream garnished with fresh raspberries
- Lemon ice with candied lemon peel and sprig of mint
- Orange ice topped with candied orange peel
- Another fact: Ice cream industry currently reports approximately 300 flavors — almost any one of them good with Coke.
- Pack your cooler with canned ice to keep the ice cream or sherbert. Of course, the scoops could be frozen in advance and packed individually. But, we've found that youngsters delight in making their own. Use colored straws for another gay note and don't forget to add the ice cream scoop and spoons to your picnic check-list.
- Cherry ice cream garnished with maraschino cherry
- Lime sherbert topped with a sprig of mint
- Mint ice cream decorated with tiny sticks of crushed peppermint candy
- Strawberry ice cream with fresh strawberry dipped in powdered sugar
- Vanilla ice cream. Top with nuts, cherries, chocolate shot or chocolate bits
- Coffee ice cream with crushed walnuts

EVERY LITTER BIT HURTS

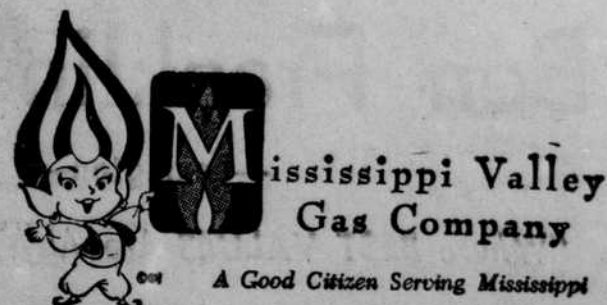

DON'T BE A LITTERBUG!

Drop every litter bit in the litterbag you should always carry in your car. Then carefully stash your travel-trash in the next roadside trash basket. That's the way you can best contain and prevent the ugly spread, the pile-up of trash that blotches America's beauty, and costs \$50 million a year to pick up from major highways alone. Remember, just as every litter bit hurts when it's tumbling free—every litter bit helps when you land it in the litter basket.
